1. Welcome to the MLA Website

The Military Lending Act (MLA) website enables you to verify whether an individual or their military sponsor is currently serving on active duty in the US military.

The Military Lending Act provides servicemembers on active duty (and their dependents) with important safeguards in the area of payday loans, vehicle title loans, refund anticipation loans, military installment loans, rent-to-own, and other forms of consumer credit. The MLA website helps servicemembers and their dependents verify whether they or their military sponsor is serving on active duty and is therefore eligible for the protections of the MLA.

NOTE: Historical information is not available through this website.

Users of this website include servicemembers, dependents of servicemembers, and creditors who are inquiring about servicemembers or their dependents for purposes of MLA.

Overview of MLA

The Military Lending Act (MLA), 10 U.S. Code § 987, extends important safeguards to Servicemembers on active duty status and their dependents in the area of financial management and consumer credit. As a financial service provider, this website will help you verify if an individual is eligible for the provisions of MLA.

How to Use This Document

This document is intended to be used with the Defense Manpower Data Center (DMDC) MLA website which supports laws and privileges related to active duty servicemembers. It is free to the public.

The website enables you to input identifying information and determine if the individual, either a sponsor or dependent, is eligible based on meeting one of the following criteria:

* Is on active duty.
* Regular or reserve member of the Army, Navy, Marine Corps, Air Force, or Coast Guard, serving on active duty under a call or order that does not specify a period of 30 days or less, or such a member serving on Active Guard and Reserve duty as that term is defined in 10 U.S.C. 101(d)(6).
* The member's spouse.
* The member's child defined in 38 USC 101(4).
* An individual for whom the member provided more than one-half of the individual's support for 180 days immediately preceding an extension of consumer credit covered by 32 C.F.R. Part 232.
In this guide, you will learn how to:

- Create and manage an account (create an account, reset a forgotten password, a disabled account, etc.) with which you can retrieve information on multiple individuals at once (known as a multiple record request, or batch request).
- Log in (for single and multiple record requests)
- Retrieve information on one individual, in real-time (single record request).
- Obtain an individual’s MLA certificate.
- Format/upload request files for multiple record request(s).
- Download result file(s).
- Download certificates for multiple record request(s).
- Troubleshoot errors received while navigating through the site.

DoD Support

The Department of Defense (DoD) strongly supports the enforcement of the Military Lending Act. Information provided is in support of Title 10 and a part of Title 14 for Army, Navy, Marine Corps, Air Force, National Oceanic and Atmospheric Administration (NOAA), Public Health and Coast Guard. The data is extracted from DMDC’s Defense Eligibility and Enrollment Reporting System (DEERS) database, which is the official source of data regarding eligibility for uniformed services medical care and other benefits and entitlements.

DMDC has issued thousands of "does not possess any information indicating that the individual is currently on active duty" responses and has experienced a very small error rate. Nevertheless, if you receive the above response and a Servicemember, family member, friend, or representative asserts that the individual is on active duty status, or is otherwise entitled to the protections of the MLA, you are strongly encouraged to obtain further verification of the person’s status by contacting the associated service:

Consent to Monitor
The MLA website is a U.S. Government (USG) Information System (IS). As such, users must accept the Consent to Monitor terms to access the website. Upon entering the website, users will be prompted to click the Accept button. If users do not click the Accept button, they will not be able to access the site or its contents.

The terms for the Consent to Monitor are as follows:

- The USG routinely intercepts and monitors communications on this IS for purposes including, but not limited to, penetration testing, COMSEC monitoring, network operations and defense, personnel misconduct (PM), law enforcement (LE), and counterintelligence (CI) investigations.
- At any time, the USG may inspect and seize data stored on this IS.
- Communications using, or data stored on, this IS are not private, are subject to routine monitoring, interception, and search, and may be disclosed or used for any USG-authorized purpose.
- This IS includes security measures (e.g., authentication and access controls) to protect USG interests—not for your personal benefit or privacy.
- Notwithstanding the above, using this IS does not constitute consent to PM, LE or CI investigative searching or monitoring of the content of privileged communications, or work product, related to personal representation or services by attorneys, psychotherapists, or clergy, and their assistants. Such communications and work product are private and confidential. See User Agreement for details.

Useful Terms
Below are some brief definitions of terms you will see as you navigate through the MLA website:

- **Active Duty Status Date.** The active duty status of the individual will be determined for this date. MLA only reports on active duty status as of the time the MLA search is performed.
- **Certificate.** The PDF document with the MLA eligibility status.
• **DOB.** Date of birth.
• **DOI.** The date for which a person’s eligibility is being questioned.
• **ITIN.** Individual taxpayer identification number.
• **LN.** Last name.
• **Person Identifier Number.** Nine digit identifying number that is either a social security number or an individual taxpayer identification number.
• **Person Identifier Code.** (S) for social security number (SSN). (I) for Individual taxpayer identification number (ITIN).
• **SSN.** Social security number.
• **Title 10.** Outlines the role of Armed Forces and the legal basis for the roles, missions and organization of each of the services as well as the United States Department of Defense.
• **Title 14.** Outlines the role of the United States Coast Guard.
• **Title 32.** Outlines the role of the United States National Guard which is established under Title 32, but members are frequently activated to support the DoD, in which case their orders are covered under Title 10.

**IMPORTANT** – Watch the News and Alerts portion of the home page for the latest information about website issues and releases.
2. Manage Your Account

Create a New Account

Since this is a public website, accessible to anyone at any time, a username and password combination is used to enhance security and protect the personal information of servicemembers.

To create an account:

1. Choose the My Account tab on the navigation bar of the home page. You can also click the Single Record Request or Multiple Record Request tab on the navigation bar.
2. The Login screen will appear and you can select the Create an Account button on the right side under the Need an Account? heading.

   NOTE: If this is your first time accessing the website and you receive a security certificate error message, refer to the frequently asked questions (FAQS) on the website.

3. Click Create an Account.
4. The Create an Account screen will appear:
5. **Password**: Enter password and confirm password (same as password). If prompted, complete the reCAPTCHA challenge.

6. **Challenge Questions**: Click the buttons to select three different security questions from the drop-down list and provide answers.

7. **Click Next**.

8. **Additional Information**: Enter the required user information.
NOTE: To create an account and run a single or multiple record request, you must complete all fields outlined in red.

Figure 4. New Account - Required Information

9. Click Next.
10. Verification: Click the Terms of Use Agreement link to view the terms of use.
11. Click X or Close to return to the verification screen.
12. Click the box marked **I Accept** to indicate you have read and agree to the terms of use.

**NOTE**: You cannot create a new account until you have accepted the terms of use.

13. Click **Submit**.

14. If prompted by reCAPTCHA, select each image that contains the object described in the text. Click **VERIFY** when you have selected all images that apply. For an audio challenge, click on the headphone Icon and press **PLAY** to enter the words you hear. Click **VERIFY** when you have completed entering the words.

**NOTE**: If there are no squares that match the description, click **SKIP**. If you cannot view the image, click the refresh icon (circling arrows) for a new visual challenge.

15. After creating a new account, the system will send your system-generated username to the email used to create your account.

**NOTE**: If you forget your username you will need to create a new account.

System-Generated Username

When you create a new account, the MLA system will generate a username and send it to the email you provided when creating your account. You will need this username each time you log into your account.

NOTE: If you forget your username you will not be able to access your account and you will need to create a new account.

Log In

Once you have created an account and retrieved your system-generated username, you can log in to make single record request, multiple records requests, or download results that have finished processing.

NOTE: If you forget your username you will need to create a new account.

To Log In:

1. Choose Single Record Request or Multiple Record Request in the navigation bar to log in. You can also access the login screen by selecting My Account on the top navigation bar and select Go to Login Page.
2. Once the login screen appears, enter your username and password.

   **NOTE:** If this is your first time requesting single or multiple records, you must create a new account. If you’ve forgotten your password see **Forgot Your Password** for instructions on how to reset your password.

3. Click **Login**.

4. If prompted by reCAPTCHA, select each image that contains the object described in the text. Click **VERIFY** when you have selected all images that apply. For an audio challenge, click the headphone icon and press **PLAY** to enter the words you hear. Click **VERIFY** when you have completed entering the words.

   **NOTE:** If there are no squares that match the description, click **SKIP**. If you cannot view the image, click the refresh icon (circling arrows) for a new visual challenge.

5. You can now make a single record request, multiple records request, check file status, or download results as needed.

   **NOTE:** If you have not updated your account with the required user information you will be redirected to the Manage Account page until all required fields have been completed. For instructions on how to update your account information, see **Edit User or Company Information**.
Manage Your Account

Once you have logged into your account, a Manage Account tool bar will appear in the upper right corner of all screens. The tool bar will allow you to manage your account and log out.

To manage your account:

1. Log into your account.
2. Click Manage on the upper right corner of the screen.

![Manage Account](image)

You will now be able to edit your user and company information, register an ECA identity certificate, reset your password, or close your account.

Edit User or Company Information

Upon creating an account, you are asked to enter your user and company information. You can edit and update your information in the Manage Account page.
To edit your user or company information:
1. Log into your account.
2. Click Manage on the upper right corner of the screen.
3. You will be directed to the Manage Account page.
4. Click Edit User or Edit Company.
5. Update the fields you want to change.
6. Click Save User or Save Company to accept the changes.
7. You may click Cancel to go back to the Manage Account page.

![Figure 9. Manage Account - Edit User Information](image)

Reset Password
1. Log into your account.
2. Click Manage on the upper right corner of the screen.
3. You will be directed to the Manage Account page.
4. Click Reset Password.
5. Type your current password in the Current Password field.
6. Type your new password in the New Password field, using the information displayed on this window as a password selection guideline.
7. Type your new password again in the Confirm New Password field.
8. Click Submit.
9. If the new password is not accepted, a message displays indicating that your password was not changed.
10. If the new password is accepted, a message displays indicating that the password change was successful.
If you forget your account password, you can reset it if you remember your username and the answers to the questions you selected during account creation. If you don’t remember your username and/or the answers to the questions you selected during account creation, see Need a New Account to create a new account.

**To reset your password:**

1. Select **Single Record Request** or **Multiple Record Request** on the navigation bar or click Manage account. You can also access the login screen by selecting My Account on the top navigation bar and selecting Go to Login Page.
2. Once the Login screen appears, enter your username and click **Forgot password?** beneath the Password field.

3. The Reset Password screen will appear with the challenge questions you selected during account creation and their corresponding entry fields.

4. Enter the answers to the questions and click **Submit**.
The New Password screen will appear.

Disabled Accounts

Since the website is public and accessible to anyone at any time, additional security measures are in place to ensure that you are allowed to track and recover only the file(s) you uploaded. Below are reasons your account might be disabled:

- **Inactivity**
  If you have not logged into the system within the last 60 days, the system will automatically disable your account and you will no longer have access to the file(s) you uploaded under that account.

- **Forgotten Challenge Question Answers**
  If you cannot successfully answer the challenge questions after three attempts during the Forgot Your Password process, your account will be disabled and all the information associated with your account will no longer be accessible.

To Request single or multiple records again, you must create a new account. Any previous requests, regardless of status, will need to be re-requested after your new account is created.

Session Timeout

MLA will automatically log you out of a session after a set period of inactivity. Once you have logged in, if there is no activity for 10 minutes or more, the session will be
terminated. A warning banner will display with a countdown, letting you know when the session will be terminated. You may choose to continue with the session, logout of the session, or let the timer run out and be automatically logged out of the session.

NOTE: Set period of inactivity and warning timer lengths may be subject to change.

Figure 18. Warning banner - Session Timeout

Session Timeout Options:

- Click **Continue** before the timer expires in order to continue with the session.
  - The banner will be removed and user may continue as normal.
- Click **Logout** before the timer expires.
  - The system will log the user out.
  - You will be returned to the Login page.
- Remain inactive and allow timer to expire.
  - The system will log the user out.
  - You will be returned to the home page.

3. Request a Single Record

You can request a certificate verifying the active duty status for an individual on a specified date.

To perform a Single Record Request:

1. Select **Single Record Request** from the navigation bar on the home page.

NOTE: If this is your first time accessing the website and you receive a security certificate error message, refer to the FAQs on the website.
2. Click **Single Record Request**.

3. Log into your account.

   **NOTE:** For instructions on how to log in to an account, go to log in. If this is your first time requesting single or multiple records, you must create a new account. If you’ve forgotten your password, please refer to Forgot Your Password for instructions on how to reset your password.

4. Once the MLA Single Record Request screen appears, select a Personal Identifier Number Type by choosing one of the following radio buttons:
   - Social security number (SSN)
   - Individual taxpayer identification number (ITIN)

5. Complete the required fields.

   **NOTE:** To confirm the accuracy of the information provided, please repeat the SSN or ITIN in the Repeat SSN or Repeat ITIN field.
Figure 20. Single Record Request

6. Click the box marked I Agree to indicate that you have read and agree to the terms of use.

   NOTE: You must agree to the terms of use to run a single record search.

7. Click Submit.

8. If prompted by reCAPTCHA, select each image that contains the object described in the text.

   • Click VERIFY when you have selected all images that apply.

   • For an audio challenge, click the headphone Icon.

   • Press PLAY and enter the words you hear.

   • After you have completed entering the words, click VERIFY.

   NOTE: If there are no squares that match the description, click the SKIP button. If you cannot view the image, click the refresh icon (circling arrows) for a new visual challenge.
9. The website will process the request to search for the individual’s active duty status (if any) based on the information provided.

NOTE: A search typically takes 10-15 seconds, but can be over 30 seconds. If you encounter any errors/issues, refer to the FAQs on the website.

10. Once the request has been processed, the website will provide a MLA certificate reporting the active duty status for the individual, in PDF format. See View/Print the Certificate for additional information about the certificate provided.

To clear the Single Request screen:

1. On the MLA Single Record Request screen, click Clear.
   * All fields on the screen will be cleared of previously entered text.

Single Record Request Required Field Descriptions

* **Person Identifier Number Type.** Enter one of two person identifier number types: social security number (SSN) or individual taxpayer identification number (ITIN).

* **SSN or ITIN.** The person identifier number is either a social security number (SSN) or an Individual taxpayer identification number (ITIN).
  - SSS and ITIN must be entered without spaces or dashes (e.g., 000223334).
  - SSN must be nine digits long and include leading zeros, if necessary.
  - ITIN must be nine digits long, beginning with the number 9 and the fourth digit must be a “7”, “8”, or “9” (e.g., 9XX7XXXXX).

* **Repeat SSN or ITIN.** The repeat SSN or ITIN must match the SSN or ITIN numbers entered above.

* **Birth Date.** The birth date must be numeric in the following format: YYYYMMDD.
  - No spaces, dashes, or slashes.
  - No dates before 19000101.
  - No future dates.

* **Last Name.** This is the last name of the person of interest.
  - Entries in this field must be alphabetic (A-Z or a-z).

View/Print Certificate for Single Record Request

Certificates are provided as a result of a single request inquiry:

- Status Report (single match found)

The Status Report (single match found) will include the name provided on the Single Request Screen and information indicating whether or not the individual is either on active duty for more than 30 days or a family member of a servicemember on active duty for more than 30 days based on the active duty status date.

Depending upon the selection of either SSN or ITIN, the Status Report could look like either of the following two examples:

Example:

To print the single record request certificate:

1. From your browser menu bar choose File -> Print.
2. Select the destination printer.
3. Click Print.
4. Request Multiple Records

You can request eligibility information on multiple individuals.

To request information for multiple individuals:

1. Choose Multiple Record Request from the navigation bar on the home page.

   NOTE: If this is your first time accessing the website and you receive a security certificate error message, refer to the FAQs on the website.

2. Click the Multiple Record Request tab.

3. Log in to your account.

   NOTE: For instructions on how to log in to an account go to log in. If this is your first time requesting single or multiple records, you must create a new account. If you’ve forgotten your password, please refer to Forgot Your Password for instructions on how to reset your password.

4. Once the MLA Multiple Record Request – Upload File(s) screen appears, you are presented with the ability to upload request files and view the file status of any previously uploaded files (if applicable).

   NOTE: Refer to the Download Results section of this guide for more information.
5. Click **Choose Files** to add a new file to the upload list.

   **NOTE:** If this is your first time at this website, it is imperative that you review Formatting the Request File prior to uploading a file.

6. A window displays allowing you to browse your computer’s directory and select the request file.

7. Once you locate and select the file, the filename will appear in the Files for Upload list. Review ‘Guidelines for File Names’ prior to uploading file.

8. If certificates are required for the uploaded files, click **Yes** to the prompt to have a certificate file generated.

   **NOTE:** The default is set to **No**, meaning the certificate file is not required and will not be created.
Figure 25. File Selected for Upload

1. If you select Yes, you are prompted to select the population you want the certificates for: individuals on active duty service and/or individuals not on active duty service.
2. Click I Accept to indicate that you have read and agree to the terms of use.
   NOTE: You must agree to the terms of use to run a multiple record search.
3. After making your certificate selection and agreeing to the terms of use, click Upload.
4. The system will validate your file to ensure it is in a useable format. If it is, the file will be uploaded. If it is not in the correct format, you will be notified immediately.
   NOTE: A file will not be processed unless it is validated.
5. Return to the website in 24 hours to check the status of the file under the **File Status** portion of the screen.

   **NOTE:** The results file and the certificate file will not necessarily be ready to download at the same time.

   ![Figure 26. Files Uploaded](image)

6. If the results file has completed processing, the Result/Certificate File Status field on the Download Results tab will display the Results Ready Icon (✓) and a download link.

7. Click **Download**. A window displays and you can browse your computer’s directories and select where to save the results file.

8. If you selected Yes to the **Do you require certificates...** option, the Certificate File Status field will display the certificate status. If the certificate file has finished processing, the status field will display the Certificate Ready Icon (✓) and the Download link.

9. Selecting the certificate file **Download** button will display a dialog box prompting you to select ZIP or PDF download format. Make a selection.

![Figure 27. Files Complete, Ready for Download](image)
10. Click **Submit**. A window displays and you can browse your computer’s directory and select where to save the certificate file.

   **NOTE:** If you encounter any errors/issues, refer to the FAQs on the website.

**File Status**

- The MLA Multiple Record Request – Upload File(s) tab will display the file id, file name, upload status, upload date, size, and certificate required.
- The Download Request(s) tab will display file id, upload filename, upload date, results file status, and certificate file status for each file that has been uploaded.
- The upload date displays the date and time the file was uploaded.
- 15 days after the upload date, the file expires and is no longer available for download.
- 30 days after the download date, the historical record of this file is no longer visible.

   **NOTE:** If you are returning to the website after an extended period of time (i.e., the minimum 24-hour processing time) you must log in before you can check the status of a file.

**File Names of Multiple Record Requests**

- Allowed:
  - Upper and lower letters: a-z
  - Numbers 0-9
  - The underscore character (_)
- Not Allowed:
  - Spaces
  - Additional periods before the extension
  - Any special symbols or characters not mentioned above
- File names must include the extension .txt
- Maximum length of name (without file extension) is 30 characters.
Format of the Request File

A request file contains information on multiple (up to 250,000) individuals and can be used to retrieve all associated status information at one time. The file must be formatted correctly to allow the DMDC database to read and process the information in it (see Request File Example for a visual reference).

Criteria for Matching an Individual

While every field must be accounted for, the four fields that are most important for validating a match are:

- Person identifier number
- Person Identifier type code
- Date of birth
- Last name

NOTE: Entries that are not valid will be represented in the result file with an Error code.

File Information/Limitations

The request file must be provided as follows:

- Format must be ‘fixed width’ (See Request File Layout/Format table for positions/lengths).
- Can contain numbers (0-9), letters (A-Z or a-z), and spaces ( ). The use of any other characters not previously listed will result in an Error Uploading File message.

NOTE: Name fields (last, first, and middle) are exceptions as they cannot contain numbers (0-9) but can include dashes (-) and apostrophes (’).

NOTE: The customer record ID can also include dashes (-) and apostrophes (’).

- Must be saved as a .txt (text only) file type.
- Must be UTF-8 encoded flat text.
- Cannot contain more than 250,000 records. The maximum number of records in a file will be enforced; this number is displayed on the MLA Batch Request Upload File screen and may change for performance reasons.
### Figure 30. Request File Format Guidelines

#### Field Descriptions

- **Person Identifier Number.** Either a social security number (SSN) or an individual taxpayer identification number (ITIN).
  - SSS and ITIN must be entered without spaces or dashes (e.g., 000223334).
  - SSN must be nine digits long and include leading zeros, if necessary.
  - ITIN must be nine digits long, beginning with the number 9 and the fourth digit must be a “7”, “8”, or “9” (e.g., 9XX7XXXXX).
- **Person Identifier Type Code.** A single alphanumeric character. It is either an “S” for social security number or an “I” for individual taxpayer identification number.
- **Date of Birth.** Must be numeric in the following format:
  - YYYYMMDD.
  - No spaces, dashes, or slashes in the date of birth.
  - No dates before 19000101.
  - No future dates allowed.
- **Last Name.** The last name of the person of interest.
  - Entries in this field must be alphabetic (A-Z or a-z).
  - No special characters, other than the blank space “ “, the dash “-”, and the apostrophe “’”, are allowed.
  - Do not include suffixes (Jr., Sr., III, etc.).
- **First Name.** The first name of the person of interest.
  - Entries in this field must be alphabetic (A-Z or a-z).
  - No special characters, other than the blank space “ “, the dash “-”, and the apostrophe “’”, are allowed.
- **Middle Name.** The middle name of the person of interest.
  - Entries in this field must be alphabetic (A-Z or a-z).
  - No special characters, other than the blank space “ “, the dash “-”, and the apostrophe “’”, are allowed.
- **Customer Record ID.** An optional field for your personal use. It could be a loan ID or any other identifier you would like to link with the record.
  - Entries in this field must be alphanumeric (A-Z, a-z, 0-9).
- No special characters, other than the blank space " ", the dash "-", and the apostrophe "’", are allowed.

**Download Results**

Once a request file has been completed, a result file will be available to download.

**NOTE:** The result file contains the MA version number in the prefix of the filename, e.g., ml4_0_myfilename.txt. When upgrades to MLA occur, this allows you to identify the version of MLA that processed the file.

**NOTE:** If you have left the MLA website, you must log in to obtain the result file(s).

**To download a result file:**

1. Once logged in, the MLA Multiple Record Request – Download Results(s) screen provides a list of files available for downloading.

   ![Multiple Record Requests](image)

   **Figure 31. File Status**
2. Locate the desired result file in the list and click **Download** in the results file status column associated with that file.

A window will appear so you can navigate to the location on your computer where you want to save the file.

3. After saving the file, you are returned to the MLA Multiple Record Request – Upload File(s) screen.

**Interpreting the Result File**

A Result file includes the original information (from your Request file) and additional information added to the end; these characters are the results for each individual.

**File Information**

Each result file will be in a ‘fixed width’ format. See the examples below.

---

**Figure 32. Result File**
Figure 33. Result File Format Guidelines

Field Name Descriptions
For every individual in the request file, their personal information and the active duty status date is returned for reference. Match results are added to the end of each record.

- **Person Identifier Number.** Either a social security number (SSN) or an individual taxpayer identification number (ITIN).
  - SSN and ITIN must be entered without spaces or dashes (e.g., 000223334).
  - SSN must be nine digits long and include leading zeros, if necessary.
  - ITIN must be nine digits long, beginning with the number 9 and the fourth digit must be a “7”, “8”, or “9” (e.g., 9XX7XXXXX).

- **Date of Birth.** Must be numeric in the following format:
  - YYYYMMDD.
  - No spaces, dashes, or slashes.
  - No dates before 1900010.
  - No future dates allowed.

- **Last Name.** The last name of the person of interest as provided in the request file.

- **First Name.** The first name of the person of interest as provided in the request file.

- **Middle Name.** The middle name of the person of interest as provided in the request file.

- **Customer Record ID.** This is an optional field, and is the same value as provided in the request file, if any.
- **Person Identifier Type Code.** The person identifier type code is a single alphanumeric character. It is either an “S” for social security number or an “I” for individual taxpayer identification number.

- **Status.** This indicates if the person was on active duty on the active duty status date. The values returned describe the following (See Active Duty Definition below for further information on what qualifies as active duty):
  - **Y:** Yes, on active duty as of the search date or is a dependent of a servicemember on active duty as of the search date.
  - **N:** No, not on active duty as of the search date and is not a dependent of a Servicemember on Active Duty as of the search date.
  - **Z:** No active duty uniformed service affiliation or an issue with the data input (refer to the Match Result Code section for further information).

**Active Duty Definition:** Active Duty status, as reported in this file, means a member of the armed forces who is serving on:
- Active duty pursuant to title 10, title 14, or title 32, United States Code, under a call or order that does not specify a period of 30 days or fewer; or
- Active Guard and Reserve duty, as that term is defined in 10 U.S.C. 101(d)(6).

**Dependent Definition:** Dependent, as reported in this file, means a person described in subparagraph (A), (D), (E), or (I) of 10 U.S.C. 1072(2)

- **Match Result Code**
  If MLA was able to match the individual’s information from the Request file against a period of active duty in the DMDC database, the result of the match will be indicated by a Match Result Code value. The values are as follows:
  - **0:** General Error. Error in line contains non-ASCII character.
  - **1:** Missing required field. A required field is missing (person identifier number, last name, or date of birth). Refer to ‘Criteria for Matching an Individual’ section for further information.
  - **2:** Invalid Person Identifier Number (SSN or ITIN). The person identifier number given (SSN or ITIN) is invalid. It must be a 9-digit numeric value. There cannot be dashes or spaces. Letters (e.g., alpha characters) are invalid. For SSN, leading zeros are required. For ITIN, the first digit must be a 9 and the fourth digit must be a “7”, “8”, or “9”.
  - **3:** Invalid Person Identifier Type Code. The value must be either an “S” or an “I”. Any other characters including a blank space ( ) will be considered invalid.
  - **4:** Invalid Date of Birth. The date of birth (DOB) must have the following format: YYYYMMDD. There cannot be dashes (-), slashes (/), periods (.), or spaces.
  - **6:** Invalid First Name. The first name is an optional field for the customer’s use. This error may occur if the first name does not appear in the correct location in the file.
  - **7:** Invalid Last Name. This error occurs if the last name does not appear in the correct location in the file.
  - **8:** Invalid Middle Name. The middle name is an optional field for the customer’s use. This error may occur if the middle name does not appear in the correct location in the file.
- **9: Invalid Customer Record ID.** The customer record ID is an optional field for the customer’s use. It could be a loan ID or any other identifier the customer would like to link with the record. This error may occur if the first name does not appear in the file in the correct location.

- **X: Missing Person Identifier Type Code.** The person identifier type code field is missing. This error may occur if there is not a 112th position in the request file submitted. Refer to the Request File Layout/Format section for further information.

- **B: Match – Person Identifier Number, Person Identifier Type Code, Date of Birth, and Last Name.** There was a record match on person identifier number (SSN or ITIN), person identifier type code (S or I), Last name, and date of birth.

- **F: Not Affiliated Individual.** According to our records, we could not determine that this person is or ever was affiliated with the uniformed services.

- **Z: No Match.** According to our records, the information you provided failed to match to a Servicemember or dependent in our database.

  * **Date of Match**
  
  This field is used to record the date that DMDC completed the MLA match. It is effectively the “as of” date of the match. The current active duty status of Servicemembers can and does change daily, so it’s important to record when the MLA match was completed

  * **Certificate ID**
  
  The certificate identifier used to locate a certificate in the certificate file. This can also be blank if you did not choose to create a certificate file.

### Download Certificates

Once a certificate file has been successfully completed, a certificate file will be available to download to your computer.

**NOTE:** The certificate file contains the MLA version number in the prefix of the filename, e.g., mla3_0_myfilename.txt. When upgrades to MLA occur, this allows you to identify the version of MLA that processed the file.

**NOTE:** If you have closed your browser, you must log in again to obtain certificate file(s).

**To download a certificate file:**

1. Once logged in, the MLA Multiple Record Request – Download Request(s) screen provides a list of files available for downloading.
2. Locate the desired certificate file in the list and click **Download** in the Results File Status column associated with that file.

3. A window will appear for you to choose the format type, compressed (ZIP) or PDF format. Note the approximate size of the file is displayed. Click **Submit** to download the file or **Cancel** to return to the Upload File(s) screen.
4. A window will appear and you can navigate to the location on your computer where you want to save the file.

5. After saving the file, you are returned to the MLA Multiple Record Request – Upload File(s) screen.
